## ABOUT US

*Today's savvy companies are on the constant look out for the best pool of human resources that suit their needs, that's where Jaya International comes into the picture. It is widely accepted that India is the best pool for talented professionals. Jaya International identifies them and provides these professionals to the companies in services and manufacturing industry and infrastructure projects worldwide.*

*We opened doors to our recruitment services in 2006. And since then there was no looking back. We believe our success lies in the quality of the human resource we provide to the organizations. Naturally apart, from the required skill sets and qualifications, we give supreme importance to good interpersonal and communication skills of the candidates. The people we provided have proved to be the best team players in the respective organization.*

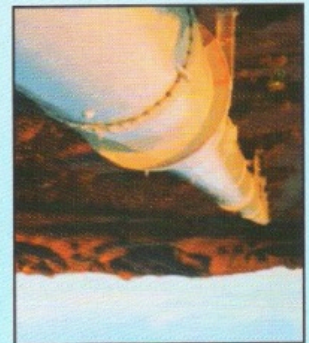

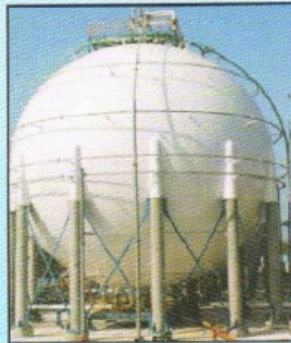

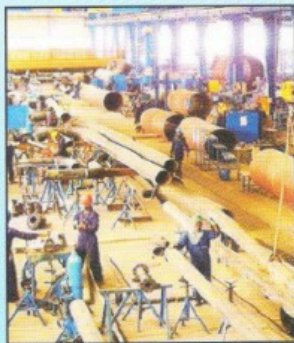

*Our Proprietor Mr. Raveendran Iyengar has vast experience and knowledge in the fabrication Industry. He has worked in M/s. Vijay Tanks & Vessels in India for more than 16 years. 8 year in workshop and 8 years in all Site Projects across India in a Managerial Position in 1980s and 1990s. As well as he was AWS Certified QC Inspector in 1987.*

*In his period of working under his supervision he has handled lot of Site fabricated Storage Tanks, LNG Tanks, Spheres, Pipeline Projects and in workshop Pressure Vessels, Silo, Heat exchangers and variety Structural Projects.*

*So we have great network across the Globe in the fabrication Industry. We can provide all sorts of Skilled & unskilled Workers and all kind of staffs for this Industry. We provide Manpower for these industries from running projects of all over India.*
